

Material Safety Data Sheet

Product and Organisation Information

Product Name: pOET-1 Transfer Vector DNA
Organisation: Oxford Expression Technologies
Technical phone: +44 (1865) 483236
Fax: +44 (1865) 483250

Composition

Product Name:

a) Tris EDTA Buffer Solution pH 8.0 (as available from Sigma Aldrich)

see MSDS Product 93283 Sigma-Aldrich

Product Name:

b) pOET-1 (Transfer Vector DNA)

1. Stability and Reactivity

Stability	stable
Conditions and materials to avoid	Not available
Hazardous Decomposition Products	Not available

2. Toxicological Information

Routes of entry	Absorbed through skin, dermal contact
Acute effects:	
Inhalation	Not available
Ingestion	Not available
Skin contact	Not available
Eye contact	Not available
Chronic effects:	Not available

3. Disposal Consideration

Waste must be disposed of in accordance with government and local environmental control regulations.

4. Transport Information

Not controlled under IATA

5. Other Information

To the best of our knowledge, the information above is accurate. However, the above named supplier assumes no liability whatsoever for the accuracy or completeness of the information contained herein.
